

Nest D1

600 x 400

CPP 090

Ultra-lightweight, nestable quarter pallet

The quarter pallet for display positioning or for simple use as an one-way shipping pallet. As display pallet the Nest D1 offers a cost-effective alternative to common pooling solutions. Thanks to its low weight, handling at the Point of Sale is simplified to a significant degree and made safer. Displays can be locked in the intended positions.

Bottom support

> 4 feet (4F)

Deck options

> open deck (OD)

Displays can be locked in the intended positions.

The plastic pallet will be available in a range of colors, allowing customers to match it to their company colors.

*1 Figures can vary depending on the raw material used and options applied. *2 Guideline values are based both on experience and parts of test ISO 8611, which tests with evenly distributed loads at room temperature (20°C). Varying data may result from different conditions of usage. Your specific requirements can be identified upon request. *3 Minimum quantity required - PO pallets should only be used and stored in a dry environment. We reserve the right to change any of the stated information without prior notice.
